Q: How long is the warrant valid?

A: 2 years, as long as your work and membership remain in good standing

What does the "Warrant of Appointment to Financial Office" mean?

 - You must renew before the old warrant expires
- How often may I renew?
 - For as long as you remain in good standing, your membership is valid, and you have the support of your local group
 - Please keep in mind that others may want to try this position. Take deputies. Be flexible and willing to step down for a while. You can go back to it later.
 - If you love it, consider becoming a Regional Exchequer (or even Kingdom Exchequer!)

The office files belong to SCA, Inc. not the individual Exchequer.

- The entire set of records must be handed over within 30 days
 - This includes electronic files, and paper files
 - We are required to maintain seven (7) years of files
- If everyone does not play nice, appropriate measures will be taken.

Please make all office changes a positive experience for your group!

Group Responsibilities

- These offices are deputies under the office of Exchequer and require warrant.
- stuff=money=Exchequer

- Publish the group's financial information annually
 - Including Comparative Balance sheet and Income/Expense Statement
 - Publish by newsletter or other form of distribution
 - Send a PRINTED/dated copy to KExch (to prove this was achieved), i.e. showing the group its annual report.
- Help group establish the required financial policy
- Help maintain records
- Keep good reporting relations with your group it's their money!

Review of Books

- Done every 2 years or whenever the office changes hands.
- This form shows the type of information to be reviewed.
- It is a very informal process and verifies basic guideline compliance. It is not a test or an audit.
- A checklist is available on the Kingdom Exchequer webpage and available from the Review of Books deputy or the Regional Exchequer

Keeping Records – for 7 years

- Purge them after 7 years
- Keep backups of all computer records
- What to keep in your "Exchequer box"?
 - the check book and check register (up to date, of course)
 - Exchequer warrant
 - current copy of the signature card which is on-record at the bank
 - local group financial policy
 - current property list
 - An envelope or folder with historic receipts, older than 7 years, that could be important to keep, such as for regalia or other property
 - Know where to find (but don't keep in your box)
 - Exchequer Handbook
 - Kingdom Policy
 - blank forms: blank event form, blank quarterly report form, donation receipt, cash advance form, NMS form

More about Keeping Records

A folder, well marked, for each of the last 7 years, each containing:

- All 12 monthly bank statements with bank reconciliations
- Q1, Q2, Q3 quarterly reports (signed)
- Q4 Domesday report (signed)
- Newsletter, email, or other info that proves that the group's financial status was published
- An envelope or folder containing receipts for all non-event related expenses, with the meeting minutes or emails that prove that the expense was authorized by the financial committee
- Transfer form if money was sent to another group (e.g., kingdom travel fund)
- Bank deposit receipt of any non-event income stapled to an explanation of the deposit (Heraldic money? Donations?)
- "Transfer" forms for any other money that was exchanged with other SCA groups (kingdom or local groups)
- Written notes about anything that happened that year that might be useful in understanding the finances

Still more about Keeping Records

A folder, well marked, for each of the last 7 years, each containing (continued):

- An envelope or folder for each event held that year, each containing:
 - Event report (signed)
 - Troll log, cash box log
 - signed event budget or other proof that the financial committee approved the expenses
 - All event receipts
 - Bank deposit receipt(s)
 - Cash advance requests showing that the advances were resolved
 - NMR form copy
 - Transfer form if money was sent to another group
- An envelope or folder for each fund raiser held that year, each containing
 - Fund raiser report (signed)
 - Fund raiser budget or other proof that the financial committee approved the expenses
 - All receipts
 - Bank deposit receipt(s)
 - Cash advance requests showing that the advances were resolved
 - Transfer form if money was sent to another group (e.g., kingdom travel fund)

Financial Policy

- Each group is REQUIRED to have a financial policy
 - Go to the Exchequer Handbook (Chapter 3, Section II. "Financial Policies",
 and http://sca.org/docs/finpolicies/SocietyFinancialPolicy.pdf section VIII. to see examples, requirements and general guidelines.
- It may not contradict or be less strict than Society or Kingdom Policy.
- It must be approved by the local group and the Kingdom Exchequer before it is valid.
- Changes to these policies must also be sent to the Kingdom Exchequer for approval before they are valid.
- This is the who, what, where, when, how, and why your group spends its money
- Policy defines the Financial Committee
- It must follow the policy template as seen in the Exchequer Handbook

Financial Committee

- The Exchequer does NOT make financial decisions alone
- The Financial Committee is the group of people that makes financial decisions
 - the Exchequer and the Seneschal are required to be on the committee
- It is OK to have the Financial Committee include:
 - "all other paid members voting at a meeting" ...Or
 - "all other paid members in the branch" ...Or
 - a specific list of paid members

But note that all persons who vote on financial decisions MUST BE CURRENT PAID MEMBERS

- Please make sure your policy reflects how your group actually works (within the above constraints)
- If your committee includes "other paid members" concept, then also define an "Emergency Financial Committee" to deal with issues that must be resolved before the next meeting

Writing Checks

- To write a check, you need...
 - Authorization from Financial Committee
 - Emails from Financial Committee
 - Meeting minutes recording voting decisions

If an item is not on a budget (annual or event) and hasn't been approved by the committee, then you don't write the check

- Never ever pay out money without a receipt
- Suggest you use the "reimbursement form"
 - The person who wants reimbursement fills out the details and provides the right name and address
 - You don't have to guess!

Budgets

- Recommend passing an annual budget. Financial Committee votes on the budget
- Define the usual expenses and authorization limits. For example:
 - Monthly payments to a storage unit
 - Postage for your Chronicler
 - Office supplies for the Seneschal or Exchequer
- Use the budget as authorization to write a check, when a receipt is presented
- Financial Committee votes on items not on the annual budget
- Financial Committee votes on and approves event budgets

Checks / Deposits

• A really good idea that helps your paper-trail:

- Do NOT write a single check for more than one type of expense, even if it is going to the same person, even if it is for a single receipt
- Example: a check for feast food to a cook, and a separate check to reimburse decorating supplies to the same person

- Use separate deposit slips for different types of income
- Example: one deposit slip for event-gate income; one deposit slip for fund-raiser income; one deposit slip for return of Gate Seed money, even if all three deposits are from the same event

• If they go on different places on your quarterly report, separate them!

Cash Controls - Event

- Gate money get it ahead of time, preferably with a "Cash Advance Request" Form, and make the check out to an individual not to Cash
 - (Ch 7, page 10 Handbook) "It is not an acceptable practice to 'borrow' starter cash from a person, and refund that cash later in the day. It is acceptable to write someone a check in return for the same amount in cash but don't mark that check as an expense of any kind because it's an advance."
- NEVER pay event costs out of the cash box at gate/troll!
 - This action will get your group suspended.
- Don't make change (except for folks paying event fees) from the cash box
 - Doing so at busy gates can lead to errors and even make you vulnerable to scams

Cash Controls - Other

- Do not deposit SCA money into your personal account and write a check later
 - It seems innocent but it's sooo not okay. This is called comingling of funds. And it appears like embezzlement.
- All cash (heralds, troll) must go into an SCA, Inc account for deposit and have group check written for transfer out.
- Cannot send money order.
- Society says for Cash/checks over \$50 will be deposited within 14 days; Atlantian policy says <u>all</u> money should be deposited within 14 days. SO DEPOSIT ASAP!
- Document cash advances and clear them within 60 days.
- Checks must always have 2 signatures.
- DO NOT SIGN BLANK CHECKS!!
 - They must have a "To" and the amount!
 - "To" must be a person or business, not "Cash"

Handling Bad Checks

Follow Chapter 14 of the Handbook

- Please send copies of communications to your Regional as well as the Regional for any other group involved, along with those people mentioned in Chapter 14.
- Please write the full name and check number for Receivables on your reports!!
- If you are carrying this debt for over an entire calendar year with no word, it is time to write off the debt as a loss.

No No's

- No ATM card
- No online payment systems except
 - The SCA Reservation System (SCA-rs), managed by Corporate
- No SCA Inc (group) money may be used in whole or part to benefit private individuals translation:
 - No specific disaster relief funds (usually not 501c3)
 - No special occasion gifts (flowers, etc) to members. (Prizes are not gifts; they are general supplies.)
 - No replacement of private property broken at SCA events (pass the hat)
 - No membership in the SCA or NMR paid for private individuals
- No alcohol (except for small cook amounts) or fireworks

A few more No No's

- No raffles
- Money may not be loaned to individuals nor do we accept loans from individuals
- Money raised for one purpose may not be used for a different purpose
- No cash as prizes (in Atlantia)
- We may not accept cars as donation
- Land donation is very tricky and subject to the BOD

The last of the No No's

- Gift cards/certificates only for items that are SCA legal upon redemption.
 - NO pre-paid credit cards.
- Money may not be spent on events or meetings closed to the general populace
 - Unless there is a business agenda that requires limited attendance, such as officer meetings.
 - NOTE: Royalty-only and order-only meetings are specifically ineligible for reimbursement.
 - Teas/Crown Breakfast/Luncheons
 - These CAN be eligible but must meet the above criteria
 - Not Royals only or they open for people after a short meeting, etc

"Stuff" Regalia vs. Inventory vs. Property

| Regalia | As of 2020 Q4, Regalia (crowns etc) is no longer considered artwork or jewelry. Such items costing \$2000 or more are reported as depreciable property (see below). Such items costing less than \$2000 are reported as Supplies, Activity Related, and are tracked with the group's property inventory. |
|-----------|--|
| Inventory | Inventory is defined as items that are bought in bulk for resale that cost >\$250 total when bought. |
| Property | Property is most everything else. – There is also depreciable (D) and nondepreciable (ND) property. |

Types of Property (3 kinds)

| Property – ND (not depreciated) | Items >\$2000 in cost that don't wear out over time don't get depreciated |
|---------------------------------|---|
| Property – D (depreciated) | Items >\$2000 in cost that do wear out over time (like pavilions) get depreciated |
| Property/Supplies | Supplies <\$2000 get expensed and then live on the group's property list (separate from the general report) – May be kept by the Exchequer or a deputy such as a chamberlain or quartermaster. |

Speaking of property – Donations

- No group has to accept anyone's donations.
- If someone gives you a donation and says it's worth anywhere near \$5000, please consult the SOCIETY Exchequer.
 - The IRS has special rules on getting an outside appraisal of the value.
- Please consult with the Society Exchequer before accepting any donation to the SCA of amounts greater than a few hundred dollars.
- Offer receipt for donations for their taxes (refer to Handbook Chapter 8.V.A).
 - It is not up to us to fill in the amount it's worth (Fair Market Value).
 - We only thank the person for the item and describe it.

An acknowledgement of donation form may be found here:

https://www.sca.org/resources/document-library/sca_donation_form/

Transfers

A "transfer" is any money moved between SCA branch accounts

• A check to you from another branch is not income, it is a transfer in

• A check from your branch to another SCA branch (kingdom travel fund, College of Heralds, or SCA Inc for insurance) is not an expense, it is a transfer out

Transfer: SCA-MD Inc

- If you are an SCA-MD Inc entity receiving / sending funds with another SCA-MD Inc entity, this is reported as a Transfer
- If you are SCA Inc (Virginia, North Carolina, South Carolina, Georgia) receiving / sending funds with an SCA-MD Inc entity, this is reported as a Donation From (To) another 501(c)(3)

SCA MD Inc (Maryland) is a subsidiary. They have their own tax ID. Non-subsidiary groups are SCA Inc and share the corporate tax ID.

- This is much easier when this form is used.
- Please consider using this form, ESPECIALLY when transferring money to Kingdom
- other than NMR, which has its own form
- send to the destination group, as well as the KExch.
 Send also to your Regional. Keep a copy for your files.

Event Responsibilities

- Exchequer and Seneschal need to work as a team with Autocrat and gate/troll/Reservationist
- Exchequer
 - is NOT required to be gate/troll/Reservationist
 - IS required to provide some oversight/training to gate/troll/Reservationist
 - Ensure these persons understand rules of handling cash
- Exchequer is held ultimately responsible for having event financial reports / NMR reports in on time

Event Notes – Gate/Troll/Reservationist

- Anyone handling money must be over 18 and a paid member
- Refund policy must be stated at the gate. It also should be in the Acorn announcement and on the event Web page
- Reservationists Don't forget to deposit checks as they arrive (within 14 days at most)
- You and your Head troll may want to review the "Troll class" before the event. See

https://exchequer.atlantia.sca.org/training/2020/Head%20Troll%20Training.pdf (head troll) https://exchequer.atlantia.sca.org/training/2020/Troll%20Staff%20Training.pdf (Troll staff)

Event Notes – Exchequer's Duties

- Checks have to be written before, during, and after events.
 - Plan accordingly with signatories
- Herald
 - If they receive cash, it must be deposited into the branch account and then sent ("transferred") to the College of Heralds
 - MAKE ARRANGEMENTS BEFORE THE EVENT with your Herald (if needed)
 - They have 10 day deadlines to have reports delivered
 - Their funds are NOT considered "event funds"
- Multiple local signatories makes life much easier
- You don't have to go to every event but you do have to delegate and plan well

- This form is due to the NMR deputy within 10 **business** days of the event. You do NOT need to send the check at the same time but send it as soon as possible
- If the report is late you could be suspended!
- Write the check to "SCA Inc Kingdom of Atlantia"
- On quarterly report list it as a "Transfer within Kingdom" on page 10

Quarterly/Domesday Reporting

- What is the report?
 - Explained in Chapter 9 of the Exchequer Handbook
 - Excel versions available online
- https://www.sca.org/resources/document-library/#treasurer
 - Most branches can use Small
 - Use Medium for branches that have inventory, regalia, depreciated or non-depreciated property, newsletter, multiple funds, or more than one bank account.
- Which pages are required?

All of them.

Just send the whole report. Print all pages to PDF, and send that, along with the Excel file. That way you get all required pages, for sure! See "How to save and sign pdf" or "Signing PDF on a Mac", here

https://exchequer.atlantia.sca.org/training/2018/How%20to%20save%20and%20sign%20pdf.pdf https://exchequer.atlantia.sca.org/training/SigningPdfonaMac.pdf

Reporting

- Do I send anything else with the report?
- YES, you must send
 - The Excel file itself (not just the signed PDF)
 - Copies of all your bank statements from that quarter (not just the last month's)
 - Event reports and copies of all event receipts for events held in the quarter
 - Copies of non-event-related receipts for any other checks written in the quarter
 - A copy of your ledger/check register
- We use shared DropBox folders for reporting, so no large emails to send!

Reporting: Due dates

- Reports are due the same times each year:
 - Q1 (Jan 1 Mar 31) due April 30th
 - Q2 (Jan 1 Jun 30) due July 31st
 - Q3 (Jan 1 Sept 30) due Oct 31st
 - Q4 (Jan 1 Dec 31) due Jan 31st of the next year
 (Doomsday/Domesday)
- Note: 30 day late reports = possible suspension of group and/or removal of Exchequer
- BUT ...a late Q4 / doomsday = suspension!!!!
- Monthly bank reconciliations are due to Seneschal for review and signature by the end of the following month (i.e. July's reconciliation is due Aug 31)

Reporting

• Where are the reports sent?

 In Atlantia, copies of the reports are sent to the Regional deputies after they are signed by the Seneschal.

• Who gets copies of the report?

- Local Exchequer keeps the original and gives a copy to their Seneschal
- Cantons should send courtesy copies to their Barony
- Baronial Exchequers may give copies to their landed Baronage

What if my group is Incipient?

- If your group is new and either has no funds yet or their funds are still controlled by another group your \$ will be handled by your sponsoring group.
- The sponsor group reports any money as a Fund on pg 14.
- Note: The groups should get together quarterly and make sure the amount each thinks they have matches, but the incipient can track this in a ledger or Excel sheet.

BUT:

- The incipient group must submit a "negative activity" form.
 - Send to Regional and sponsoring group
 - Establish a pattern of reporting regularly and on-time

More about Incipient Groups

• THE EXCHEQUER FOR THE INCIPIENT GROUP CAN SUBMIT A REQUEST FOR WARRANT WHICH IS SIGNED BY THE INCIPIENT AND SPONSORING GROUP SENESCHAL AND EXCHEQUER

 MONEY IS STILL MANAGED BY SPONSORING GROUP UNTIL THE INCIPIENT GROUP REACHES FULL STATUS

• ONCE THE GROUP ACHIEVES FULL STATUS THEY CAN OPEN THEIR OWN BANK ACCOUNT
